

# Genres

are types of stories  
Detective, Love, Action, Fantasy, or  
Science Fiction

**Action** is about being successful, not morally right.

**Myth** represents a journey to understand oneself and gain immortality.

**Memoir** is not about the past; it's about creating your future.

**Fantasy** is about finding the magic in the world and in ourselves to turn life into art.

**Detective** fiction shows us how to think successfully by comparing different stories to learn what is true.

**Love** stories reveal that happiness comes from mastering the moral act of loving another person.
