

Genres

are types of stories
Detective, Love, Action, Fantasy, or
Science Fiction

Action is about being successful, not morally right.

Myth represents a journey to understand oneself and gain immortality.

Memoir is not about the past; it's about creating your future.

Fantasy is about finding the magic in the world and in ourselves to turn life into art.

Detective fiction shows us how to think successfully by comparing different stories to learn what is true.

Love stories reveal that happiness comes from mastering the moral act of loving another person.
